Mabuhay! I am Gene and this is my personal portfolio.
I build unique, efficient & usable hand-coded websites.

HELLO

HELLO!

My name is Gene Bryan Ronquillo, 21. I'm a web developer based in the Philippines. Currently working at
Web Providers Dev as a Software Engineer, I specialize in front-end development, Wordpress Theme
Development & Shopping Cart Integration. I'm also familiar with Codeigniter Framework, Magento & Smarty
